DMHC Financial Solvency Standards Board (FSSB)
Board Member Solicitation

The Department of Managed Health Care (DMHC) is seeking five (5) dynamic and solution-oriented healthcare professionals to serve on the DMHC Financial Solvency Standards Board (FSSB). The FSSB meets quarterly to advise the Director on matters of financial solvency that affect the delivery of health care services. The Board reviews periodic reports related to plan operations and makes recommendations to the Director related to financial solvency requirements, standards, and regulations. Members are appointed by the Director for a term of three years.

Interested candidates should submit a Letter of Interest along with a Statement of Qualifications, résumé or curriculum vitae, to Mary.Watanabe@dmhc.ca.gov by October 7, 2016. The most-qualified candidates will have training and experience in one or more of the following areas:

- Medical and health care economics
- Accountancy, with experience in integrated or affiliated health care delivery systems
- Excess loss insurance underwriting in the medical, hospital, and health plan business
- Actuarial studies in the area of health care delivery systems
- Management and administration in integrated or affiliated health care delivery systems
- Investment banking
- Information technology in integrated or affiliated health care delivery systems

A description of the duties of FSSB board members is attached. To learn more about the FSSB and to review materials from prior Board meetings, visit the FSSB page here.

If you have questions regarding the positions, please contact Mary Watanabe at Mary.Watanabe@dmhc.ca.gov or (916) 324-2560.

Thank you for your interest in the Department of Managed Health Care.
DMHC Financial Solvency Standards Board (FSSB)
Member Job Description

DEPARTMENT OBJECTIVE:
The mission of the California Department of Managed Health Care (“DMHC”) is to protect consumers’ health care rights and ensure a stable health care delivery system. The DMHC accomplishes its mission by ensuring the health care system works for consumers. The Department protects the health care rights of more than 25 million Californians by regulating health care service plans, assisting consumers through a consumer Help Center, educating consumers on their rights and responsibilities and preserving the financial stability of the managed health care system.

BOARD OBJECTIVE:
The purpose of the Financial Solvency Standards Board (“FSSB”; “The Board”) is to advise the Director on matters of financial solvency that affect the delivery of health care services, and to develop and recommend financial solvency requirements and standards relating to plan operations, plan-affiliate operations and transactions, plan-provider contractual relationships, and provider-affiliate operations and transactions. Additionally, the Board periodically monitors and reports on the implementation and results of the financial solvency requirements and standards and reviews proposed regulation changes.

GENERAL DESCRIPTION:
Section 1347.15 of the Knox-Keene Act establishes the FSSB in the DMHC. The Board is composed of eight members. The eight members include the Director of the DMHC, or the Director’s designee, and seven persons who are appointed by the Director. The FSSB meets to address pending issues of financial solvency affecting the delivery of health care services and to develop and recommend financial solvency requirements and standards as part of Senate Bill 260 (Stats. 1999, c. 529, § 1) and Health and Safety Code section 1347.15.

JOB DESCRIPTION:
Board members are expected to review all materials in advance of the Board meetings in order to actively participate in discussions and provide meaningful contributions to advise the Director on matters of financial solvency affecting the delivery of health care services. In addition, Board members will participate in the development of recommendations to the Director on financial solvency requirements, standards, and regulations and periodically monitor the implementation and results of the financial
solvency requirements. The Board acts as an advisor to the Director and does not have direct decision-making authority.

**KNOWLEDGE AND ABILITY REQUIREMENTS:**
Members will include individuals with training and experience in subject areas or fields such as medical and health care economics, accountancy, actuarial studies, investment banking, and management and administration in integrated and affiliated health care delivery systems.

**MEETING FREQUENCY**
The Board meets quarterly and may meet at the call of the Chair. It is expected that the members maintain consistent and regular attendance at Board meetings. A calendar of Board meetings is available [here](#).

**COMPENSATION:**
Board members serve without compensation, but are reimbursed for travel expenses to and from the meetings.

**TERM LENGTH:**
The members appointed by the director are appointed for a term of three years.

**ADDITIONAL REQUIREMENTS:**
Board meetings are subject to the requirements of the Bagley-Keene Open Meeting Act. Meetings must be preceded by a publically distributed Notice and Agenda. Attendance by a Board member by telephone or other electronic means is prohibited unless the location of the member is identified in the Notice and Agenda and the public is permitted to attend the meeting from that location. Substantive discussions of matters being considered by the Board may occur only during a public meeting, including discussions regarding materials distributed in advance of a meeting.
